

NEOA events 2021 -23

As Covid restrictions eased NATO started to run a full programme of events and activities.

For the part year to 9/10/22 There were 53 events, with a total of 3235 participants.

Senior BO members made up 2241 with Juniors 613. We had 212 senior and 108 junior non-members taking part, and a total of 61 non-paying entrants.

Looking forward with most small local events not yet registered 36 events are registered up to 17/12/23.

Of these 16 are regional, 6 National and 12 Local. It is expected that some LOPs or other simple local events will be added in due course.

A change from normal service is the dearth of night events at all levels. This may be a result of Covid reducing our confidence to stage such events and expect to get enough entries to make it worthwhile. Nationally there seems to be a similar reluctance to stage night events.

2024 sees NEOA stage the British Long Distance and Relay Championships near Whitby and in 2025 CLOK have volunteered to hold the CSC Finals.
